SENATOR DUIS: A question if I might of the Chair please. On our green sheet that we get, on the back side of the one is the general fund financial status report. I want to ask a question as to how recently the projected revenue has been looked at and possible change in that. I don't know who to ask the question of so I was asking the Chair.

PRESIDENT: Senator Keyes might be able to advise you. I will also ask...I think the projectionists are in the Department of Revenue.

SENATOR DUIS: The thing is that I have heard quite frequently that this has changed some but it hasn't been changing on our sheet.

PRESIDENT: Senator Luedtke.
